

Get Ready for a Cabin Fever Experience Like No Other!

Sign up now for the Adirondack Experience's Cabin Fever Weekend at Syracuse University's Minnowbrook Conference Center!

March 3-4

TOUR ADKX's fascinating Collection Study and closed-to-the-public Storage Facility.

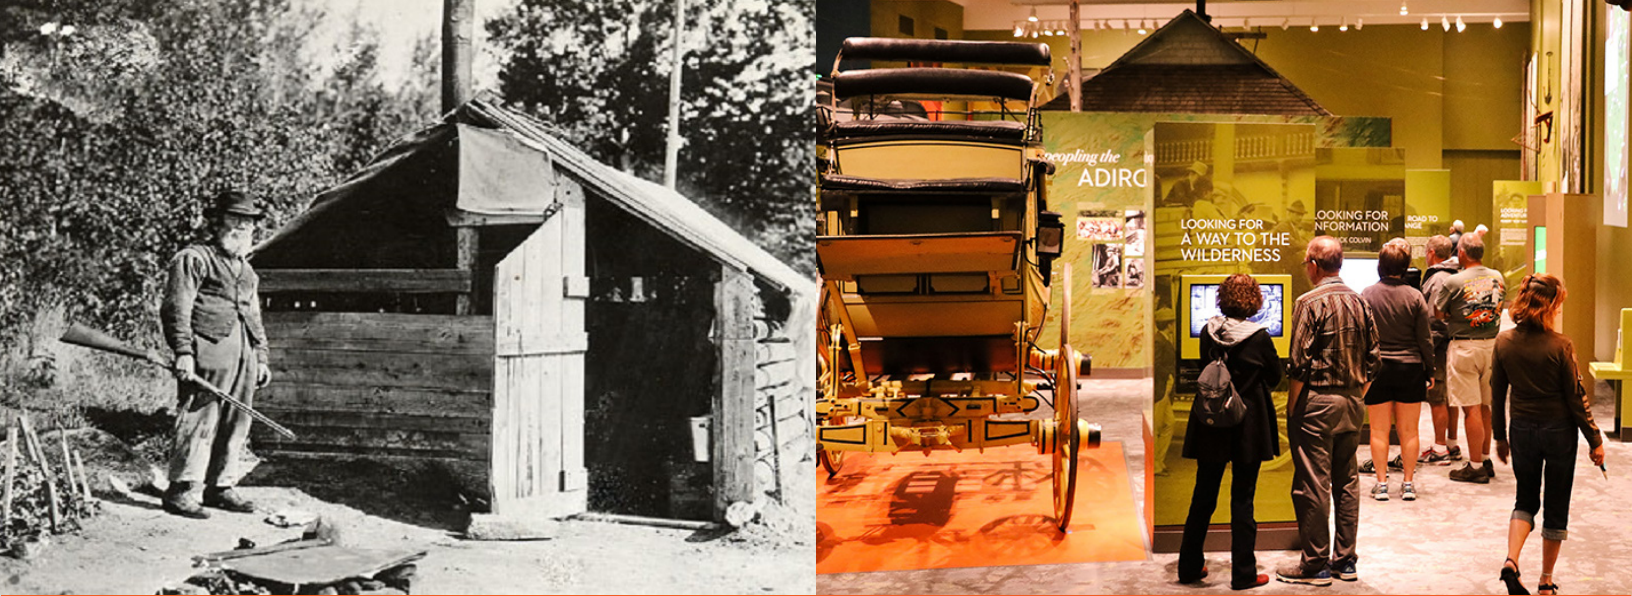

LEARN about Seneca Ray Stoddard, a late 1800s Adirondack photographer and attend an optional lecture on The Life and Times of French Louie Seymour, an Adirondack trapper, guide, and hermit.

RELAX in our top-notch accommodations and enjoy delicious meals while taking in the beauty of your surroundings in comfort. For more than 50 years, Syracuse University's Minnowbrook Conference Center has offered a rich array of educational programs in a setting many describe as the most beautiful in all the Adirondack Mountains.
